Short Tutorial/FAQ - Is It True Twitter Is Doubling Its Character Limit?

Question: I recently heard Twitter is doubling its character limit from 140 to 280. I thought the whole point of Twitter was the brief format. What's the story?
Answer: Twitter is currently testing a 280-character limit with a small group of users. The company's reason for increasing the limit is giving people more room to express their thoughts, responding to user frustration over the limited space.
