The Future Of Parking
This Chinese parking system gives a new meaning to the term "self-parking." Drivers simply drop off their cars and let machines do the work.

Call Before You Dig

Spring is here - time to get those home and garden projects underway. But don't put that shovel in the ground before you know exactly where your buried utilities are located.

For free location of underground telephone, cable TV or Internet services on your property, call Cable Locate at 611 at least 2 days before you plan to start working.
