Two To View - A Couple Of Amazing Videos You Don't Want To Miss

Bringing Rembrandt Back to Life
This portrait was created on an advanced 3D printer, guided by extensive data from all of Rembrandt's 346 paintings using facial recognition algorithms.

Look, Don't Touch
Everyone knows not to touch museum displays. Well ... almost everyone. Watch the disastrous results when a man examines a hanging clock a little too closely.

Visit The All New Millbrook Avenue

Millbrook Ontario is a unique Village at the gateway to the Kawarthas. Known as the 'village in the valley', Millbrook is home to historic sites, arts and culture, community events, and exclusive shopping locations. Recently the main street has been reformed into an incredible, inviting location which is sure to attract many new visitors. All new pavement, sidewalks, lamp posts, and trees – you must experience it! The construction was very worthwhile!

[Nexicom](#) is proud to have maintained its head office in Millbrook – for over 115 years!

Once the renovations to the street were complete, we decided to have a little fun. Nexicom's own Scott, Tyler, Josh and Mark took a little time from their desks to participate in this Beatles replica of the Abby Road Album cover. This is our King Street version...

Thanks to Suzanne Whiston for organizing and taking the photo.
