These Kids Are Spending Too Much Time Outdoors

As an Internet service provider, we believe that the Internet is a vital part of modern life which can be an important tool in the education of our children.

But it's also important for children to have a healthy balance in life, and sometimes that means turning off the computer and getting outside to run around and play.

That's why we're proud to sponsor local children's sports, like soccer.

And as a company that cares about this community, that's the least you can expect from us.

More than you expect.
