

## NEXICOM DIGITAL TV – SD to HD Conversion

On September 19, 2023, we will be phasing out Standard Definition (SD) channels in favour of High Definition (HD) channels. You will still receive the same great content but with a clearer, superior picture. To assist with this transition, we've created an easy reference map for your convenience.

Channel Name	SD Channel #	HD Channel #
Sportsnet World	239	233
CBC (CBLT) Toronto, ON SD	302	292
