School Is Just Around The Corner. It's Time To Consider Increasing Your Internet Speed!

With school about to returned for another year now is the perfect time to consider upgrading your home's internet speed to meet the increasing demands of a technology reliant family.

From homework and Netflix, to You Tube and live streaming, the average household's demand for higher upload & download speeds has never been greater.

At Nexicom we understand the ever-changing needs of our customers for high speed unlimited internet, that is both reliable and affordable. That is why all of our high-speed internet packages are unlimited, and our price is what we say it is. From DSL and Wireless, to Cable and the latest 1 GIG Fibre connections (where technology permits), we have the speeds and pricing to suite your family's need.

Contact our Customer Service Team today to see what speeds are available in your area. 1(888) 639-4266.

They Really Know Their Business

They really know their business... And they take the time to know ours.

For over twenty-five years Peterborough RV has relied on Nexicom to provide our family business with all of our communications needs. Nexicom is always there when we need them and they continue to offer new ideas on how to save our company time and money. In fact, I am so pleased with their service that I recommend Nexicom to everyone, for their business or their home.

With Nexicom, we are never left feeling like just another number, and I didn't expect that!
