Watching a Time-Lapse Film

Something beautiful is in store for your day/night! National Geographic time-lapse films include everything from dragonflies flitting around flowers to heat waves shimmering on the ocean. Enjoy in HD—and sharing it is as simple as a click.

NEWS AND VIDEOS

#### Need something beautiful to perk up your day? Watch National Geographic’s time-lapse film of a series of flowers, each blooming in seconds.

#### From a byway with no guardrails on the edge of a cliff to a bridge so high it goes through clouds, these roads are not for the faint of heart.

With school about to return for another year now is the perfect time to consider upgrading your home’s Internet speed to meet the increasing demands of a technology reliant family.

#### From homework and Netflix, to YouTube and live streaming, the average household’s demand for higher upload & download speeds has never been greater.

At Nexicom we understand the ever-changing needs of our customers for high speed, unlimited Internet, that is both reliable and affordable. That is why all of our high-speed internet packages are unlimited, and our price is what we say it is. From DSL and Wireless, to Cable and the latest Fibre connections (where technology permits), we have the speeds and pricing to suit your family’s need.

Contact our local and friendly Customer Service Team today to see what speeds are available in your area. 1(888) 639-4266.
